NEWH Conference Call/Webinar
Schedule 2017

Quarterly Chapter Webinars – for NEWH Chapter Directors and Chairs

NEWH has set up quarterly webinars for each discipline of the chapter boards. These calls will be facilitated by the NEWH Inc. VPs and NEWH, Inc. Directors.

Get answers to your questions, share your successes and get ideas from other chapters on what works for them! These webinars are a great opportunity for you to talk to people who are doing the same thing you are doing. Feedback on calls to date has been very positive.

Please see the Discipline Grid on the following page for those directors/chairs that will be invited to each webinar – then look at the schedule on the following pages and add these CHAPTER dates to your calendar. Note: All times on the schedule are Eastern Time. These webinars will be held 2 times in one day (11am and 7pm EST). Those chapter directors/chairs invited to the webinar will receive an email from ReadyTalk with call-in information and a webinar link, and can join the call that fits into their schedule.
