

**FLORIDA SEATING**  
COMMERCIAL RESTAURANT FURNITURE

Florida Seating is a leading supplier of commercial furniture to the restaurant, hospitality, and design industries. Our commitment to provide durable seating with the shortest possible lead time and at the most competitive price is as strong today as it was in 1997 when the company was founded.

We work with award-winning designers all over the world and strive to constantly expand our collection with furniture that meets the highest standards for sustainability and quality, and also reflects the most current trends in contract seating.

Since our inception, we have established a record of reliability and redefined the standards for service in the seating industry. Our customers span a wide range of markets and represent some of the leading global brands in the hospitality and restaurant industries.

We maintain a vast inventory base so that we can meet our customers' needs with courtesy, efficiency, and in a timely manner. If you don't find the style of seating you are looking for, please contact us as custom designs are available upon request.

We realize that you- the customer- is what makes us successful, and are grateful for your continued support.

Thank you for the opportunity to work with you. We look forward to serving you.
