NEWH Chapter Board Members provide the leadership for their chapters to educate and strengthen their local hospitality communities. Being a board member is a very important role to the organization and these exceptional volunteers gain communication skills and friendships with high profile professionals. To be a chapter board member, you must be an active general member.

GENERAL membership is open to professionals who have been actively involved in Hospitality or a related field for one or more years. General members are entitled to full membership and voting privileges as outlined in the NEWH By-Laws.

ASSOCIATE membership is open to those industry members who have, within a twelve (12) month period, completed an accredited area of Hospitality-related studies. Associate members cannot hold an elected office, but are encouraged to serve on chapter board committees.

STUDENT membership is open to those who are attending any accredited institution in Hospitality or a related field. Student members will receive a one-year courtesy membership and voting privileges as outlined in the NEWH By-Laws.

BUSINESS PLUS membership is for companies with sales forces/offices across the country or around the world. It includes 20 members and up to 10 additional discounted memberships at half-off regular chapter dues. CHAPTER LEVEL BUSINESS and BUSINESS TOP TIER membership is a perfect membership for those businesses that have more than one employee interested in joining a local chapter. These memberships are held by the Business, not by the individual member.
