We are honored to have been able to participate in RockCon again this year! The event was well attended, and was a great opportunity to see the latest and greatest from our favorite manufacturers.

We’d like to give a huge thank-you to The Work Life Group for lending us furniture for our booth!

We were able to create a hosting space where people could relax and recharge their phones. We’d also like to send a thank-you to Original BTC for donating our give-away, the Hector Large Table Lamp, Congratulations Brandilyn Hamm of Jacobs for winning the lamp! We look forward to RockCon 2020!

Marla-Rae Lewandoski of Design Force, who was the Lead Designer on the project hosted a tour of the Guestrooms and Public Spaces, providing insight into the hotel’s storytelling foundation, and sharing details of the design and branding process that is woven throughout the hotel.

The brand promise was to deliver ‘Haute Happiness’ to all the guests and locals alike, creating curated experiences that speak to both the spirit and sophistication of the fashion district that Cherry Creek is famous for.
This year we morphed our bowling event into a pre-Halloween game night, featuring open bowling for all and a Retro themed costume contest, held at Punch Bowl Social Denver!

We had about 100 attendees, half of which were chapter members who were identifiable by their cool glow in the dark bracelets.

The costumes this year were incredible, some notable mentions were Willy Wonka, Violet and the Oompa Loompa’s from the EMCO Logistics team, the JNS Nintendo crew, the 80’s ladies of OZ Architecture, and the Stranger Things kids of Glenrock Distributing!

This format worked very well for our chapter, and we will be hosting a similar event same time next year.

Thank-you to everyone who attended, and participated in our costume contest, and thank-you to our incredible sponsors, all proceeds from this event will go towards our Scholarship fund for 2020.
Member News!
