

Tommy Linstroth

CEO – Green Badger

Savannah, GA

Tommy Linstroth, Founder and CEO of Green Badger and LEED Fellow, works in the private, academic, and non-profit sectors throughout the continental United States. Prior to launching Green Badger, a green construction software automation company, Tommy was Director of Sustainability for Melaver, Inc and Principal of Trident Sustainability Group, with experience in over 100 LEED projects across the country.

He frequently speaks on green building trends throughout the country, and has co-authored the book *Local Action: The New Paradigm in Climate Change Policy* (published 11/07). Tommy is also a contributing author for *The Green Building Bottom Line* (11/08) and produced the publication *Contractors Guide to LEED v4* (10/17).
