

TARKETT: Johnsonite Tandus-Centiva Desso

Leading with Design, we co-create alongside our customers, offering unique customized flooring solutions. At Tarkett, we help you specify flooring with the **Tarkett Solution SPECTrum™** - a comprehensive portfolio of soft & resilient platforms. With our brands of Johnsonite, Tandus Centiva and Desso, our flooring is designed to meet the needs of every application, every space, and every budget. Our full palette of colors, patterns and textures are coordinated to work together visually across all platforms. These products are utilized in resorts, casinos, and luxury hotels - as well as providing bespoke flair to the mid-scale and economy level property. Whether it be carpet that is woven or tufted; tile, broadloom, or area rugs; resilient flooring made of vinyl, rubber, linoleum or wall base - the **Tarkett Solution SPECTrum™** is always done on budget, and in style.
